EDUCATION

Class 10

Vijaya High School, Hassan

2018

95.84%

Courses-Science, Mathematics, Social Science

- School Cricket team
- Member of Eco-club

12th-Pre-University Board

Masters PU College, Hassan

2018 - 2020

94.83%

B.E in Computer Science and Engineering

JSS Science and Technology University

2020 - 2024

Mysuru, Karnataka

PROJECTS

ATM as EVM .

- Successfully designed and implemented a revolutionary system that can utilize ATMs as Electronic Voting Machines (EVMs) to enable remote voting. Used tech stack comprising HTML, CSS, JavaScript, Flask, SQLite, and OpenCV for facial recognition aimed at enhancing democracy's reach.

Cook'd - An Easy Recipe Explorer WebApp

- Developed *Cook'd*, an innovative web app that enables users to effortlessly search and explore recipes based on ingredients. Leveraged HTML, CSS, and JavaScript to create an intuitive interface, integrating real-time data from the *Edamam API*. Enhanced front-end development skills and demonstrated user-centered design principles. Deployed using *Netlify*.

Myntra Shopping website clone

- Worked on a responsive shopping website using HTML, CSS, and JavaScript.

Online Movie Ticket Booking System

- Worked along with two more people to build an online movie ticket booking system using HTML, CSS, JavaScript, MySQL, php and hosted it locally on Xampp.

Designing a food delivery website

- Learning to design a food delivery website using FIGMA to enhance my UI/UX knowledge.

WORK EXPERIENCE

Web Development Intern

CodSoft

08/2023 - Present

Achievements/Tasks

- Working on tasks involving HTML, CSS, Javascript, Bootstrap, jQuery, Node.js, React

SKILLS

Python

MySQL

HTML

CSS

JavaScript

JSON

UI/UX(Beginner)

Figma

OOPS

Microsoft Visual Code

Software Design Process

SDLC

Understanding of Project Management

Java

Jira

PyCharm

Firebase(basics)

MS Excel

ACTIVITIES

• Volunteer, LCC JSSSTU

As a volunteer of Linux Campus Club, I assisted in organizing successful events like Hackathon, Ideathon, and Clash of Minds and played a crucial role in making these events a huge success.

- Represented the college in 'Discover CISCO,' a prestigious networking event hosted by CISCO, where 100+ students participated from different colleges.

- Industrial Visit to ISRO, Bengaluru

CERTIFICATIONS

- Udemy - The Complete Python Bootcamp From Zero to Hero in Python. (04/2023 - 08/2023)

- Udemy - The Ultimate 2023 Fullstack Web Development Bootcamp (04/2023 - Present)

- CISCO Python Essentials (06/2023 - Present)

- Microsoft AI Classroom Series (01/2021 - 01/2021)
